Unicorn Elixir

Worlds first colour changing shimmer liqueur

Hand made in Canberra, our Elixirs use all natural colours and flavours. Our products are all Gluten free and other than the Strawberry they are all Vegan. With an intense and mesmerising shimmer in every bottle they are a show stopper in cocktails or when shown to customers!

Our Range:

Elixir Tropical Vodka and Gin Liqueurs

700ml 20%abv - \$55inc GST - RRP \$70

These two products are by far our most popular as they are the only two that change colour in drinks or with citrus. We use Passionfruit, Pineapple and Mango to flavour and colour with organic Butterfly Pea Flowers.

Strawberry

700ml 20%abv - \$55inc GST - RRP \$70

Tastes like fresh juicy strawberries and strawberry Chupa Chups.

Salted Caramel Unicorn Tears

700ml 20%abv - \$55inc GST - RRP \$70

We use a Himalayan pink salt and make a rich caramel infusion. Amazing on ice cream, or with sparkling apple juice and a pinch of cinnamon.

Espresso Martini Coffee Liqueur

700ml 12%abv - \$48inc GST - RRP \$65

Keep in the fridge ready to drink espresso martini or treat like a coffee liqueur in cocktails
